Guide to module registration for students

REGISTRATION IN TOOL

The address (URL) of the module registrations system TOOL is: <https://tool.uni-leipzig.de/>.

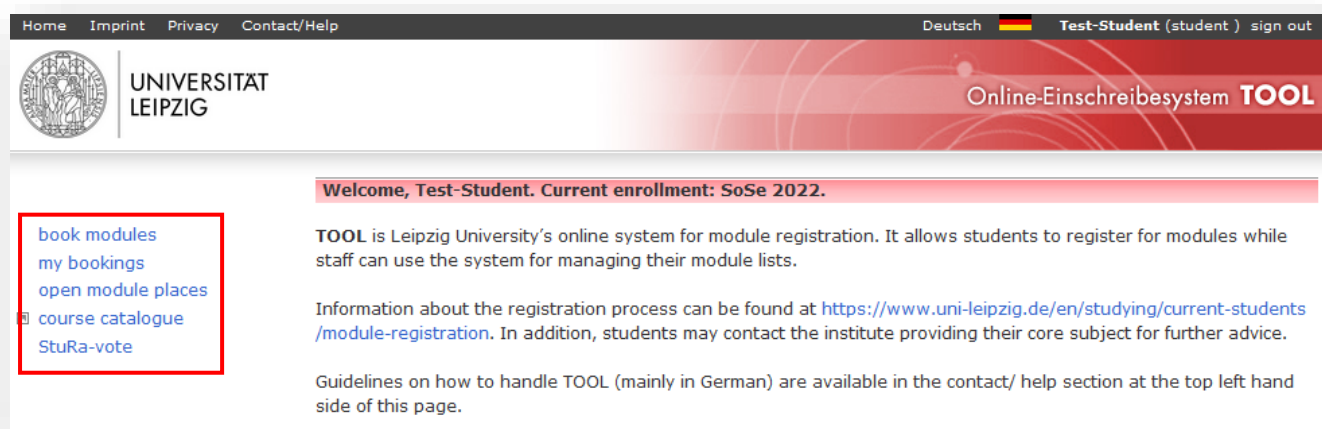

As a student, you will need the access data (university login and password) that you received upon enrollment. You can find information on this at: <https://www.urz.uni-leipzig.de/dienste/uni-login/>

The screenshot shows the 'sign in' page of the TOOL system. At the top, there are navigation links for 'Home', 'Imprint', and 'Privacy'. On the right, there is a language selector for 'Deutsch' with a German flag and a 'sign in' link. The University of Leipzig logo and name are on the left. The main heading is 'Online-Einschreibesystem TOOL'. Below this, there is a 'sign in' button. The main content area contains a welcome message: 'This is TOOL. Welcome.' followed by a paragraph explaining the system and providing links for 'module registration' and 'Office for Study Affairs'. Below the text is a sign-in form with fields for 'user name:' and 'password:'. A link for 'Need help for signing in?' is located below the password field. A 'sign in' button with a right-pointing arrow is at the bottom right of the form area.

SELECTION MENU

After successful login you will get to the TOOL start page. Various functions are available:

The screenshot shows the 'Test-Student' start page. At the top, navigation links include 'Home', 'Imprint', 'Privacy', and 'Contact/Help'. The language selector shows 'Deutsch' with a German flag and 'Test-Student (student) sign out'. The University of Leipzig logo and name are on the left. The main heading is 'Online-Einschreibesystem TOOL'. Below this, there is a 'Welcome, Test-Student. Current enrollment: SoSe 2022.' message. The main content area contains a paragraph explaining the system and providing links for 'module registration' and 'institute providing their core subject'. Below this is a paragraph about guidelines. On the left side, there is a selection menu with a red border containing the following items: 'book modules', 'my bookings', 'open module places', 'course catalogue', and 'StuRa-vote'.

BOOK MODULES

Select the registration group in which you want to register and click on "Next". Registration groups combine modules that can be taken in a specific degree program or area.

You only have access to registration groups that are assigned to your degree program and are in the registration period. If the registration period has not yet started or has already ended, the registration groups are grayed out.

If you can not find the registration group you are looking for, even though the registration period has already started, please contact your study office (<https://www.uni-leipzig.de/studienbueros>).

The procedure for module registration differs in the "**first-come first-served**" and the "**two-step booking**" mechanisms.

FIRST-COME FIRST-SERVED MECHANISM

For first-come, first-served bookings, places are allocated in the chronological order of booking, i.e.: The first person to book the module gets the place.

Step 1: Module selection

- 1** Before choosing a module, please read the displayed instructions carefully.
- 2** By clicking on the blue highlighted module groups, the respective module offer is shown or hidden.
- 3** Select the modules you would like to register for.
- 4** Please note the minimum/maximum number of selectable modules specified behind "choose your modules".
- 5** If a module cannot be booked, it is grayed out. A short red note explains the reason for the non-availability.
- 6** Notes on the participation requirements can be found in the "prerequ" field. These are shown by mouseover above the symbol ⓘ.

7 To confirm the module selection, click "Next".

Step 2: Course selection

For the selected modules, you may still have to choose the courses in the booking details, e.g. if several parallel courses are offered.

1 Before choosing a course, please read the displayed instructions carefully.

2 Note the minimum/maximum number of courses to be selected specified behind the course.

3 For courses without parallel groups, the allocation is already preset.

4 If there are no more places available in a parallel group, it will be grayed out and can no longer be selected.

- 5 Before you complete the module booking by clicking the "Save" button, make sure that you meet all prerequisites for taking part in the modules.

TWO-STEP BOOKING MECHANISM (ELECTIVE AREA / SQ-MODULES)

In the two-step booking procedure, you must first prioritize a certain number of requests. The module places are allocated by algorithm. You have to confirm the modules that have been allocated to you in a second step.

Step 1: Module selection

Wahlbereich der Geistes- und Sozialwissenschaften

Die Module des Wahlbereichs sind nach den Fächern gruppiert aufgelistet. Klicken Sie auf das Fach um das Modulangebot einzublenden oder lassen Sie sich alle Module anzeigen ("Alle einblenden").

Bitte geben Sie **mindestens 3 Modulwünsche** an, indem Sie die Module anhaken. Es wird empfohlen einen 4. Wunsch anzugeben, um die Wahrscheinlichkeit einer Modulzuteilung zu erhöhen. Wenn Sie weniger als 3 Module oder mehr als 4 Module auswählen, kann die Belegung nicht gespeichert werden.

Geben Sie einen Belegwunsch für ein Modul nur dann ab, wenn Sie die **Teilnahmevoraussetzungen (TNV)** des Moduls erfüllen, ansonsten kann Ihr Wunsch nicht berücksichtigt werden. Die für das Modul geforderten TNV werden Ihnen in der Spalte hinter dem Modultitel angezeigt.

Bitte beachten Sie bei der Modulwahl außerdem, dass Sie nur Module angeben, die sich zeitlich nicht mit Ihren Kernfachmodulen überschneiden.

Bitte beachten Sie auch die aktuellen Änderungen des Modulangebots in [AlmaWeb](#).

- 1 After the module allocations have been published, you can see which modules have been allocated to you.
- 2 In the elective area of Humanities and Social Sciences as well as in the Key Qualifications area you usually have to confirm the acceptance of an assigned module place by selecting the course via the menu item "book modules". In the optional help text you will find information about the procedure and the time frame in which you have to confirm.

If an allocated module place is not confirmed by you within the confirmation period, it is considered as not confirmed.

By confirming the allocated modules, you register bindingly for the module and the module examination. In your booking overview a new entry appears by the renewed module choice: Registration group "[...] Veranstaltungswahl", the status of the previous assigned module changes automatically from "allocated" to "confirmed".
